Dear Parents and Carers,

Family-School Partnership Award

As many of you will be aware following the announcement in last week's School Newsletter, St John's is taking part in the new Harrow Family-School Partnership scheme. This scheme is designed to help us to think about how we work with families and to support us to build stronger links between home and school.

We will be looking at lots of different areas including: the school environment; how we communicate and how we help you to support learning at home. The five key themes are:

The first step is to gather the views of everyone involved in school life: parents and carers; all staff and Governors.

To help us make decisions about how we work in the future, we need the views of as many parents as possible. Please help by taking part in the online survey. The short survey is anonymous and can be done online by following the following link: <https://www.surveymonkey.co.uk/r/StJCEParents>

It is open now and will close on **Friday 22nd June**.

The Harrow School Partnerships & Enrichment Team will then produce, and forward, a summary of the data to the School. Once we have these results we will let you know the areas we plan to work on this year. We will keep you informed of our progress via emails, the school newsletter and the school's website. If you have any questions or require translation assistance, please do not hesitate to contact Mrs Hall via office@stjohns.harrow.sch.uk.

Thank you for your support,

Mrs J Hester
